

13th Annual EPIZONE Meeting in Berlin, Germany from 26-28 August 2019

## Support EPIZONE!

The **13th Annual EPIZONE Meeting** will focus on current research efforts in understanding epizootic animal diseases. Therefore, renowned speakers will be chosen to give a broad, up-to-date overview of this rapidly evolving and multi-disciplinary field. This event shall bring together an outstanding and diverse group of experts from basic and applied science to foster scientific exchange and to establish new contacts or collaborations.

The **13th Annual EPIZONE Meeting** will be organized by the Friedrich-Loeffler-Institut (FLI), Federal Research Institute for Animal Health in Berlin, Germany from 26-28 August 2019.

For many years, the meeting has been supported by sponsors and supporters“. Any form of support is welcome and will be made visible during the event.

With a commitment in one of the following categories, we also offer sponsors the opportunity to appear during the event with a stand in the lecture area.
